ABOUT ME

As a visual graphic designer, I enjoy exploring various design and art mediums.

I am passionate about combining creativity with functionality in the design process.

My specialties include branding, illustration, packaging, typography, digital arts, mixed media, and editorial design.

Additionally, I have developed my skills as a fine artist, experimenting with clays, textured paints, and natural pigments to bring my creative ideas to fruition.

EXPERIENCE

I have worked at WIFE Agency as a Creative Designer 2 months 2022.

Worked with Erth Co. as a Design Intern for 4 months 2023.
